ERRATA.

On page 8, in the footing of Ezra Harthan's Bill, instead of 5,37, read 6,37.

On page 19, in Aaron Maddox's Bill, instead of 70,82 read 70,32.

On page 21, in Aaron Maddox's Bill, instead of 50,44 read 53,44.

The footing of C. H. Shackford's bill, on page 46, after deducting the discount, should be 21,25 ; in a part of the edition it is different.

I regret that the above errors have occurred in the accounts, but owing to the short space of time allowed me for printing, -I have been compelled to read all of the proof in a very imperfect manner. In order for the accounts to appear as per vote of the town, the Selectmen have been compelled to furnish me with the original bills, which, with a few exceptions, are made out in a manner that should disgrace any school-boy of ten years of age.—PRINTER
